Prosser Heights Elementary School

Dear Students, Parents and Community,

Everyone involved at Heights Elementary believes that the academic potential of each child is tremendous. We refuse to accept difficult challenges that confront some students as excuses for poor learning. We know that one of the greatest predictors of life success is educational success. Therefore we are committed to creating a school that knows no limits to the academic success of *every* student.

We are committed at Heights Elementary and pledge to:

- Create a classroom learning environment that fosters students’ ownership and independence. Where classroom discourse reflect our high expectations and beliefs about students’ capabilities.
- Treat students, parents and colleagues with courtesy and respect
- Provide purposeful, meaningful instruction that is connected to the standards and understood by students
- Hold students, parents and each other to the highest standards of performance
- Meet the individual learning needs of each child
- Collaborate regularly with colleagues to seek and implement strategies for helping each child to achieve her or his potential

Kris Kell Moore
Principal of Prosser Heights
